

RMPC Website Updates & Changes

Regional Committee on Marking and Tagging (2015)

Dan Webb

New Map Link: A new Columbia River Fish Facilities Map for the Greater Columbia Region

From PSMFC RMPC Home Page (www.rmpec.org) we replaced the old Catch & Effort link at the bottom of the page with a new [Columbia R. Fish Facilities Map](#) link that points to a location on the PSMFC Streamnet Site (www.streamnet.org)

A Geodatabase file is available from the Streamnet site
(<http://www.streamnet.org/data/interactive-maps-and-gis-data/>)

NOTE: The map is for the Greater Columbia Region Only

Publications Web Pages – New and Notable: (<http://www.rmpec.org/publications.html>)

Request for Marking Variances – Printable Form
(http://www.rmpec.org/files/Request_for_Marking_Variations.pdf)

Reporting Agency Contact List – Updated list of data providers referred to in the previously mentioned CWT Data Status for 2015
(<http://www.rmpec.org/reporting-agency-contact-list.html>)

Tag Prefix Contact List – Updated list of associated contacts for tag prefixes
NOTE: May differ from the actual specific agency tag coordinator
(<http://www.rmpec.org/tag-prefix-contact-list.html>)

Mark Committee Agencies (RCMT Participating Agencies)
(<http://www.rmpec.org/participating-mark-committee-agencies.html>)

CWT Tag Types and Reading Instructions – Documents provided by Northwest Marine Technology, Inc. NOTE: Associated with Agenda Item 7 to be discussed later.
(<http://www.rmpec.org/cwt-tag-types-and-reading-instructions.html>)

Northwest Fish Culture Conference Proceedings – 2014 Proceedings Added
(<http://www.rmpec.org/northwest-fish-culture-conference-proceedings.html>)
